

## My Passage To Womanhood By Clare Penne - Volume Six

Our hero now heroine may be fully transitioned but the ever demanding and dominant Saffi insists he now she is not properly trained to serve her in the way she requires. Its back to Doha and the harem for some training and experiences that surpass even those of Clares previous visit. With the advent of Saffi into Clares life, what had always been a sexually unconventional lifestyle had become, in the short time he/she had known his new partner, a whole different world as Clares already comfortable day-to-day

became one with that of Saffi and her super rich family. But its not their wealth alone that sets this particular family apart. Told he/she is to serve, both sexually and otherwise, Saffi, her family, and anyone else they chose to receive his/her favours, Clares life becomes one of devotion and service as Saffi guides him along the road to a complete and unconditional slavery. It is a slavery unlikely to be recognised by the world at large but, to Clare, is as real and binding as any of the legal varieties one could have expected to find in Ancient Egypt, Persia or Rome. What is about to happen to him/her in the harem at Doha, however, will make the events of his/her own recent past seem as nothing. WARNING: Story contains scenes of an explicit sexual nature.
