Comes with two UNANNOUNCED BONUSES! Discover The Easiest Way to Boost Your Back-End Sales Through One Time Offers! How would you like to fully automate the process of adding extra revenue to your existing sales campaign? Even better, how would you like to automate the entire sales process so you can make money 24/7? With the "Personalized OTO Maker" script, that is now a possibility! Here Are Just Some of the Features of The Script: 1. Instant PayPal Button Creation: If you are like me, you don't like wasting time. To be able to create the PayPal buttons in seconds, without having to know PHP or HTML is a BIG DEAL. Sometimes, mistakes can be made with regard to PayPal IPN (Instant Payment

Notification) technology and the order process can be mucked up. Of course, with the instant PayPal button creation, your life is made much easier!

2. Instant Product Download Protection: Speaking of PayPal buttons, one of the most important elements to a successful sales campaign is protecting the product from being downloaded by thieves. This solution automates the security necessary to protect your downloads - and only offers the product to those who complete payments through PayPal. Never worry about messy scripts or expensive 3rd party solutions. Your product is safe with the Personalized OTO Maker.

3. First Name Personalization: Personalization is a proven way to build a relationship with customers and increase sales conversions. Imagine the reaction your customer will have when they see their first name dynamically placed anywhere you want in the One Time Offer. While you do not have to use this feature, it is certainly a powerful tool in boosting your one time offer sales and will separate you from your competition.

Automated 24/7/365 Back-End Revenue Generation: The most important thing to remember is that this solution works on auto-pilot once you set it up. You don't have to oversee anything or send products to customers manually and you do not have to lose sleep worrying that something will go wrong. Simply set-up the script and allow it to display your one time offers instantly after each purchase. You can sleep, play golf or watch TV while it closes sales for you for you. Automation is the key to maximizing your time and profit potential and it is the heart and soul of this powerful back-end solution.

4. Instant Expiration of Your One Time Offers: without having any programming knowledge whatsoever? Unlike most solutions that are expensive or tricky to install, you don't need to have a PHD in order to use it. It is designed for the average person who wants to enjoy extra revenue for their website without losing.

5. FULL Support: You also receive: -Full Video Support: Watch as I create a one time offer campaign from start to finish. These videos assume you are new to PHP scripts and are designed to get you started ASAP without any HTML or PHP knowledge! -HTML Guide Support: If you prefer to READ the help instructions you also have html file support that walks you through every step from installation to campaign creation. It cannot be any easier to get started with One Time Offers!

6. Unlimited Usage License - Use It On 100 Websites: For any website that you have you can use this solution without paying any extra licensing fees. Start making money on each website and never worry about licensing issues!

What Is Required To Run The Personalized OTO Maker? 1.) Web Host That Supports PHP 4 2.) PayPal Account (Works Best When Auto-Return Is Set To "off") Note: Log into PayPal, click under 'profile'. To your right is a link called "Website Payment Preferences". You will see an option called "Auto Return". It

is either set to 'on' or 'off'. I recommend setting it to OFF because the personalization requires PayPal to post back the user details and that cannot happen if it is set to 'on'! To make the deal even sweeter for you, we are even including two unannounced bonuses with it! Only those who purchase this product from us would be able to get the bonuses at NO cost! So what are you waiting for? Order today. 30-day money back guarantee! In case you are not 100 percent satisfied with your purchase, simply contact us within 30 days of your purchase and we will refund every penny! No questions asked!
