Pride and Prejudice by Jane Austen Jane Austen's classic novel chronicles the events in the lives of the Bennet family. Take a family with five unmarried daughters and a lack of wealth, throw in a new wealthy neighbor or two, plus a whole regiment of soldiers in town, and add a heaping spoonful of pride and a pinch of prejudice. Mix it all together and you get a story full of tears and laughter, embarrassment and pride, and, of course, love. Read by Elizabeth Approx runtime: 11 hours
