Britain since 1945 is the established textbook on contemporary British political history since the end of the Second World War. David Childs' authoritative chronological survey discusses domestic policy and politics in particular, but also covers external and international relations. This new and improved seventh edition of this important book brings the picture to the present by including the following additions: Tony Blair's resignation and Gordon Brown's accession to power immigration the financial crisis from 2007: the first bank run in Britain since 1866 the 'Special-relationship' with the US and Obama the 2010 General elction and the first coalition government since 1945 'Broken Britain' and Crime the era of 'owned by China' and Britain's place in a turbulent world. Britain since 1945 is essential reading for any student of contemporary British history and politics.
