

Chernobyl: Crime Without Punishment - Alla A. Yaroshinskaya

[DOWNLOAD HERE](#)

“Russian journalist Yaroshinska has prepared an extensive, thorough account of the tragedy at Chernobyl. She documents a series of misinformation campaigns by the Soviet government to avoid responsibility and deny any wrongdoing in the disaster. . . . Millions of people over decades have been lobbying for justice, compensation, and recognition for the people who have suffered as a result of Chernobyl. . . . Highly recommended.” /span/p p align=right span lang=ENmdash;D. Ostergreni, Choice/i/

Twenty-five years ago the nuclear reactor at Chernobyl experienced an explosion, meltdown, fire, and massive release of radioactivity. Yaroshinskaya describes the aftermath of the disaster, and reviews the latest medical data and the changes in the health of 9 million Chernobyl victims since the nuclear blast. She presents an accurate historical record of the events, complete with information on government cover-ups, and never-before-seen contents based on secret documents from the Kremlin.
