

Fidelity Without Fundamentalism: A Dialogue With Tradition - Gerard J. Hughes

[DOWNLOAD HERE](#)

As religious believers feel themselves more threatened by the modern world, they increasingly often turn to fundamentalism. The fundamentalist argues that attempts to engage with contemporary culture will only end in the watering down of the Christian message to suit the passing whims of the age. In Fidelity without Fundamentalism Gerard J. Hughes shows that in fact being a truly faithful Christian involves avoiding fundamentalism; to be faithful is to express our faith in a way that respects contemporary knowledge.
