Part of the Primal Attractions series. Cami's hunted by two vicious men from her past. It's the only reason she follows her newfound visions to the two powerful Santir shapeshifters, Linc and Colm. Intense attraction and uncontrolled magic draw her closer to them despite reservations. As much as she wants to fall into their arms and bed, she knows her past and Colm's beliefs make any kind of relationship impossible. The desire to get closer to Cami surprises Linc and Colm. It's different than anything they've ever felt. Their need to uncover her secrets is only surpassed by their hunger for her kiss and touch. They soon realize their feelings are far more than sexual attraction. She's their mate. To claim and keep Cami, they'll have to earn her trust and protect her, or the danger stalking her will steal their chance at happiness.
