

Lineages Of Political Society: Studies In Postcolonial Democracy - Partha Chatterjee

[DOWNLOAD HERE](#)

Partha Chatterjee, a pioneering theorist, is known for his wide disciplinary range, incorporating the concerns of South Asian studies, postcolonialism, the social sciences, and the humanities with remarkable dexterity. His versatility made his early work, *Politics of the Governed*, a widespread hit, and it continues to draw audiences in an era of genre-defying, globalized scholarship. Building on his theory of "political society," first developed in his *Politics of the Governed*, and reinforcing its salience to contemporary political debate, Chatterjee broadly critiques the past three hundred years of western political theory including postcolonial studies, comparative history, and our current understanding of contemporary politics to address a fundamental issue: can democracy be brought into being, or even fought for, in the image of Western democracy as it exists today? Through the example of postcolonial societies and their political evolution, particularly in India, Chatterjee challenges the certainty of liberal democratic theory, presenting a more realist view of its achievements and limitations. Rather than push an alternative theory (for Chatterjee resists all prejudices and preformed judgments), he rests solely within the realm of critique, seeking instead to prove political difference is not always evidence of philosophical and cultural backwardness outside of the West. Author: Chatterjee, Partha Publisher: Columbia University Press Illustration: N Language: ENG Title: Lineages of Political Society: Studies in Postcolonial Democracy Pages: 00384 (Encrypted PDF) On Sale: 2011-11-08 SKU-13/ISBN: 9780231158138 Age: 22-UP Reading Level: 17-UP Lib Category: Postcolonialism - India Lib Category: Democracy - Philosophy Category: History : Asia - General
