This is the eBook version of the printed book. A top team needs top players, but successful managers also know how to get the best possible performance out of every member of their team, whatever their personality or skill set. To build a high performance team you need to know your team members individually and be able to motivate them to work together to deliver the results you need. This book will teach you the key skills you need to create, develop and manage a high performance team and, at the same time, accelerate your career development.
