A minimalist synthpop band with strong ties to the 80's stylings of the genre, focusing on poppy hooks and catchy songs. 10 MP3 Songs ELECTRONIC: Pop Crossover, POP: New Wave Details: This limited edition CD release featured all-new songs by Cosmicity which include some of the band fans' favorites like "Make No Mistake" and "As Long as it Takes", plus several remixes for club pleasure. This mini-album was meant to give an obvious tribute to the 80's synthpop sounds that helped to mold the current scene and that influences Cosmicity's music. It's fun, poppy, catchy, and clever. One fan wrote: Be warned, this CD is pure sytnhpop joy, with bouncy beats, sugary melodies and fun lyrics. In short, it's damn near perfect! I love the acoustic track at the end too, always the sign of a good synthpop songwriter when their music can be played in a non-synthpop setting.
