hard-hitting hookladen rock balanced with deeply personal songwriting and blistering guitars. 6 MP3 Songs ROCK: Hard Rock, ROCK: Jam-band Details: This is a write up from Relix magazine that I think sums it up pretty well- COSMOS-New York, New York Sometimes it's the simple things that work best; this seems to be the approach of the trio COSMOS. Hard-hitting hookladen rock of the power-trio fashion is what they serve up. The trio is fronted by singer/ songwriter and guitarist Cosmos Heidtmann and is rounded out by drummer Jim Riordan and bassist Jamie Jackter. All are seasoned professionals and veterans of the New York club scene. Heidtmann is also an experienced engineer and the shows in the superb six song disc that was recently released-it sparkles with energy and vitality and rocks hard, notably the gritty "Rain" and the riffy rocker "Falling Down," which features some blistering slide guitar. Fans of Blues Traveller and Gov't Mule should find plenty of interest here.
