This long awaited follow up to Robin Stanley's Mad Kingdom has 12 guitar driven pop anthems, plus a charming bonus track, all suitable for singing along to in the shower or the stadium. 13 MP3 Songs POP: Beatles-pop, POP: Jangle Pop Details: Chronic Empire begins where Robin Stanleys Mad Kingdom left off, with 12 new songs that feature all the charm and jangle of the earlier recording but with a harder edge that takes it to a new level. The songs feature reflections on life, love and the Gods of fate, as well as several cinematic narratives seen through the eyes of some interesting characters. With an army of six and twelve string acoustic and electric guitars, the recording also has an expanded production and sound with new musicians, added instrumentation and freshly creative arrangements. Robin Stanley continues to develop a fine songwriting talent with beautifully crafted songs that will stick in your mind, if not your soul. There is even a bonus track at the end of the CD that will touch your heart. Included is a deluxe eight page full color folding booklet with complete lyrics and album notes. The CD itself features a full color reproduction of the enigmatic cover art, sure to be a collectors item in the years to come.
