Southern Roots 5 MP3 Songs FOLK: Alternative Folk, BLUES: Swamp Blues Details: The Apple Blossoms are a brother duo; Colin plays Dobro as well as electric/acoustic guitars and Harrison plays drums/percussion for the band. The Apple Blossoms come from DeLand, Florida. Their sound is indie with a southern touch. Colin who is the primary songwriter for the band is constantly inspired by what seems to be the perpetual summer climate of Florida. Their first official release "La Paloma E.P." was recorded in their parents 1920's bungalow on a sleepy street in DeLand. The boys wrote, produced, and recorded all the tracks themselves. Colin and Harrison are dynamic live performers utilizing familial chemistry to create a unique sound. Be sure to visit [theappleblossoms](#) where they have frequently updated photos of the band, show dates, and three free downloads giving you a taste of some of the band's material.
