

Mp3 Tom Conway - No Fixed Address

[DOWNLOAD HERE](#)

Modern, original Gypsy Jazz in the spirit of Django Reinhardt. 13 MP3 Songs JAZZ: Swing/Big Band, JAZZ: World Fusion Details: Tom Conway is the lead guitarist for Maui-based "Gypsy Pacific", an acoustic jazz quartet specializing in gypsy jazz. This CD features all original, highly creative compositions in the gypsy jazz style penned by Conway. "One of the first bands to grab my attention on Maui was the band Gypsy Pacific. I have been a fan of Django Reinhardt since I first heard him Stephane Grapelli with the Hot Club Band from France. Tom Conway and his band play Django's music right along side the other great Django bands - they can hold their own...and more! I know Django would be proud that his music is so elegantly presented on the island of Maui now for the rest of the world. Tom Conway's "No Fixed Address" is a great CD." - Willie Nelson "On his new CD, Tom Conway once again exhibits a virtuosic command of the Gypsy Jazz medium, while at the same time adding new interest to the genre through his 13 original compositions, thereby expanding the idiom's possibilities. Some great guitar work!" - Jorge Strunz - Strunz Farah "This is such an exciting, inspiring collection, you want to hear it again and again. From the amazing rising and falling arpeggios, to the sly wit of the arrangements and compositions Tommy Conway and his band have nailed it again. A must for lovers of the guitar and gypsy music". - Pat Simmons - Doobie Brothers "Tom Conway's well crafted guitar work and original compositions in "No Fixed Address" ranks from incredible to outrageous. The band and guitarist's explosive energy will take the imagination through past and present, traveling to mystical forests, through the streets of Dublin, and back around the world to the tropical paradise of Maui. It was a real joy to be part of this unique record, performed by such talented musicians". - Dave Russell - Three time Grammy Award winning engineer for Steely Dan "What a discovery!" - Hot Club News (Germany)
