Christina Brinsley is that girl. You know the one: a little bougie, a little opinionated, knows it all, has it all, and is a total perfectionist. But Christina's perfectly crafted world isn't really so perfect. Her third engagement fizzled three days before the wedding, her family expects her to solve their problems, and her friends are more than a little bit out of control. To keep it all together, she dedicates herself to her work, because it's the one thing that won't let her down. But when her latest assignment leads her to sizzling hot professor Steven Williams, the one man who sees through her efforts to outsmart and outmaneuver her way through every situation, Christina can't believe she's falling for a man who may be a key player in the scandal she's investigating....
