

The Paul Of Surprises - Geoffrey Turner

[DOWNLOAD HERE](#)

Paul is the most important figure in the history of Christianity. His understanding of the teachings of Jesus is more studied and analysed and argued over - than that of any other theologian. Yet surprisingly little attention has been paid to Paul's vision of how we should live the Christian life. For Paul, the Christian life is not about slavishly following rules or laws. It is about the kind of person you are striving to become. It is about growing in mindfulness and commitment, and in helping and supporting one another in faithfulness in families, at work and at school. Grounded in a lifetime of study and reflection, brilliantly dismantling common myths and misconceptions and deftly steering between ancient controversies, Paul of Surprises brings Paul's message to life for Christians of every tradition. A vivid, fresh, convincing and coherent presentation of Paul that brings the best of contemporary scholarship to the general reader.
