

Urban Risk Reduction

[DOWNLOAD HERE](#)

As cities all over the world have urbanized rapidly after the industrial revolution, most cities have confronted environmental problems such as poor air and water quality. This book brings the lessons from innovative urban risk management approaches in Asian cities, drawing the lessons from seven Asian countries. EAN/ISBN : 9781848559073 Publisher(s): Emerald Group Format: ePub/PDF Author(s): Shaw, Rajib - Srinivas, Hari - Sharma, Anshu
