Being a single mother is difficult--especially in the cash-strapped financial environment that we live in today. With the cost of gas, food, and college all going up, how can one woman do it all? Single mothers need a practical, issue-specific, easy-to-read guide to personal finance issues. Answering questions about the costs of rent, day care, health care, college, and more, this book will serve as a valuable tool for struggling single mothers everywhere. Whether they receive child support or not, most single mothers live on tighter-than-tight budgets--and they need a go-to guide to get them through tough times and plan for the future. Offering the advice single moms need to find a sense of security, this book is an affordable alternative to a financial advisor.
