"Perhaps in the future the presence of men in our lives will become entirely superfluous. But until that day arrives, we will have to deal with this creature...our servitor, our manual laborer, our sexual object, and our entertainment. The key to a happy life, therefore, is to find a man who will be a groveling slave and a companionable mate at the same time." If our universe isn't the only one in existence, what might be the Feminine Dominant features of other, alternate universes? M. J. Rennie's collection of fifteen new, never-before-published short stories poses a wickedly erotic set of answers...ones not so different than you'll find on 21st century earth, where the power struggle between the gender continues. You can be sure in these stories it's the female who ends up in charge. Among Rennie's offbeat tales of Ascendant Females are the following gems: A Mother-Daughter Pair - Only after Steve proposes to the lovely Chrissy does he find out that his beautiful mother-in-law Glenda will come along for the ride. Best Boy In Show - Since the Social Revolution, an entire industry has grown up to promote the sale, exchange, and barter of boys. Mrs. Melinda Murchison is known as a boy trainer of exceptional skill, and she can't wait for her newest boy to train! Mari Complaisant - On the state-sanctioned National Socialist radio talk show network, Chester Boors is a hero, but to his wife Audra, he's nothing but a groveling toady. Jungle Fever Fantasy - It's Vacuum Tube Valley and the year is 1984. After Melinda Smith repairs the novel-writing machine, she seduces Bill Gates, an angular, near-sighted egghead in the Sex Ministry's Control Room. Fit For Command - A pair of political climbers discover they have many things in common besides a mutual penchant for Feminine Dominant sex. Malysa's Darkside - After Malysa discloses her marital secret to Betsy, she invites her friend to join in as she dominates her husband Greg. These stories and many more! ALTERNATE EROS explores the Fem Dom experience in a variety of alternate universes, stretching the boundaries of the erotic story along the way. In this wide-ranging and stimulating collection, devotees of the Fem Dom genre will find the unique qualities of acclaimed Femdom author M. J. Rennie displayed at their very best.
