The search for her sisters will become a spiritual journey for the entire family. Raised by her father, Catherine McKenna has never lacked for anything, surrounded by people to take care of her every need. On her eighteenth birthday she discovers that not only did her mother die when she was born, but she also has two identical sisters. Although her father vowed not to look for his daughters, Catherine made no such promise. Setting out on her own with one clue and her maid in tow, she's bound and determined to find her sisters. Collin Elliott has seen better days. After losing his ship to a violent and unexpected storm, he is trying to recover physically and emotionally. When Angus McKenna sends him to find, follow, and protect his pampered daughter, he wants nothing more than to finish his task and return home. Can he help her find her sisters? And will the discoveries they make along the way teach them both what's most important in life?
