Many collectors refer to this title as a companion to Schroeder's Antiques Price Guide because it covers more modern collectibles, things readily available at flea markets or garage sales. The book is packed with descriptions and current values for nearly 25,000 collectibles, representing virtually every category on today's market books, sports cards, ornaments, toys, cookie jars, fifties glassware, to name just a few. It's the smart way to discover what's collectible, how to recognize it, and how much it's worth. In addition to the more than 750 photographs, this resourceful guide offers suggestions on how to conduct your own sales, establish yourself as a flea market dealer, and buy and sell by mail, including tips on safely packing your merchandise. Additional features include a directory of related resources and a list of dealers. The editors of this book work year-round to keep up with true market values, keeping an eye on Internet sales, so they can spot new trends and track them as they develop. 2007 values.
