'Convincing Cate' by Jamie Hill Vince Mason is sure the perfect woman doesn't exist. When he meets elusive Cate Reynolds and finds she's nearly as close to perfect as he can imagine, he doesn't want her to slip away. Cate is attracted to Vince, but she sees one major problem-he's almost ten years younger, an age span she refuses to live with. It's going to take one carefully crafted plan, a few well-meaning relatives, and maybe even a shot from Cupid's arrow before Vince is through convincing Cate.

'Hit and Miss' by Lyn Cash and Alexis Fleming Book one in the Sexy Mythconceptions Series Nothing like a little foray into BDSM to make a girl feel good about herself. When Kat Toomy discovers her lover cavorting on her bed in her underwear with his best buddy, she knows it's time to kick his butt out of there and go looking for something to restore her confidence in herself. Kat's girlfriends offer her a weekend away on a tropical Australian resort that specialises in fulfilling fantasies and she's all for it, particularly when she meets her new Master, Gabe Carpenter, who can turn her on with the flick of a button. But how will Kat and Gabe feel when they find out they've been set up?

'How Sweet It Is' by Shermaine Williams As a successful male escort, Ben's life is sweet. He goes to all the best places with a wide range of women who adore him. Granted, not all of them would be his first choice and it's difficult to maintain a serious relationship when your job is to provide pleasure to other women, but that is a small price to pay. He has a lovely home, a wonderful lifestyle and wants for nothing. Maybe it's not what his parents always dreamed of him doing, but he is a professional; that is until Natasha's arrival on the scene. He fails to anticipate that she is capable of doing what no other woman can...putting his professionalism to the test.

'Crude Oil' by Desiree Holt Dana Devlin was still recovering from a messy divorce following an even messier marriage. When her sister Jodi sent her to Enchantor Key for a weekend of relaxing and unwinding, the last thing she expected was a Meet Your Mate event. And the last person she expected to see what sexy hunk Max Hollister, a divorce attorney about whom she secretly fantasised. Touch was enough to turn her on, but when he brought out his special oil, she was lost to an erotic adventure.

'Fantasies Unleashed' by Skylar Sinclair Sexual fantasies are just that, fantasies, until they are played out in physically, graphic, erotic reality! Ever fantasised about partaking in a night of uninhibited sex with a stranger? Letting him do things to your body that you have only dreamed of? Bella Simmons is looking to fulfil the fantasy she has longed to explore, but up until now, has never dared. Bored with her life she decides enough is enough, and ventures out one night with the clear intent of finding a sexy stranger and having the wildest carnal night of her life. 'Tempting Tamera' by Brynn Paulin Book one in the Circle of Three Series A new job, a new home, a new lifestyle... When teacher Tamera moved to Cranston to teach, she knew the lifestyle she'd encounter would take some getting used to. Though she was raised in an open-minded household she doesn't have experience with ménage relationships therefore her attraction to her fellow teachers, Kai and Brian, takes her by surprise. When the trio is stranded together during a freak snowstorm, Tamera discovers her attraction isn't one sided. In fact, the men have been waiting for the opportunity to show her how perfect three can be.
