So good it hurts. RockSteadyEddie's ReEvolutionary Orchestra is soul music at its best. 6 MP3 Songs
URBAN/R&B: Soul, URBAN/R&B: Motown Details: RockSteadyEddie, drummer of monkeyfunkband
KingKongCrew and triphop act Cirkus (Neneh Cherry) has now taken a step forward to focus on his
singing. In early 2007 he gathered his best friends to record a few tracks. The recording sessions were
magical and the players, who all come from different bands on the soultip of the Swedish music-scene,
became the group we present now as The ReEvolutionary Orchestra. A name that generates from the
bands perspective on todays society. Somewhere something went horribly wrong with the way we live our
lives, and we should start things over and do it right says RockSteadyEddie. The recording became the
EP These Roots Run Deep, and its the first of many releases to come by The ReEvolutionary Orchestra
The ReEvolutionary Orchestra is the latest act from Sweden based, studio-collective, SoundHabits. A
creative family, where acts like KingKongCrew, Sidechild and PH3 already live and breath in symbiosis
with their producer, The Head. For more info on the Orchestra, check out: myspace.com/rocksteadyeddie
