Chicken Coops is a how-to guide providing clear, detailed instructions for building and maintaining backyard chicken coops. Before bringing home chickens, hobbyists must first build a housing structure for their soon-to-be flock. This book offers everything there is to know about building a chicken coop, from deciding which type of structure fits your purpose and financial needs to adding the appropriate color and dcor. Wilson also goes beyond the building of the coop to offer information about routine maintenance and troubleshooting tips for managing bugs and varmints. This book offers a solution to any issue that may arise when building and caring for your chicken coop. With its entertaining yet precise and practical tone, this book is the perfect guide for novice, small-scale chicken owners.
