

The Cameroon Gce Crisis: A Test Of Anglophone Solidarity

[DOWNLOAD HERE](#)

This book richly documents the battles fought by the Anglophone community in Cameroon to safeguard the General Certificate of Education (GCE), a symbol of their cherished colonial heritage from Britain, from attempts by agents of the Ministry of National Education to subvert it. These battles opposed a mobilised and determined Anglophone civil society against numerous machinations by successive Francophone- dominated governments to destroy their much prided educational system in the name of 'national integration'. When Southern Cameroonians re-united with La République du Cameroun in 1961, they claimed that they were bringing into the union 'a fine education system' from which their Francophone compatriots could borrow. Instead, they found themselves battling for decades to save their way of life. Central to their concerns and survival as a community is an urgent need for cultural recognition and representation, of which an educational system free of corruption and trivialisation through politicisation is a key component Publisher: Langa RPCIG Illustration: N Language: ENG Title: The Cameroon GCE Crisis: A Test of Anglophone Solidarity Pages: 00000 (Encrypted PDF) On Sale: 2011-07-15 SKU-13/ISBN: 9789956558155 Category: History : Africa - General Category: Education : History
