Did you know that the tiger is one type of cat that likes to swim? Readers will discover this and more in this fascinating title! Bold colors, engaging text, and oversized photos introduce readers to the tiger's body structure, hunting methods, eating habits, social behavior, habitat, and survival threats. In addition, readers will learn about the life of a baby tiger, from cub to independence. A map highlights tiger territory, fun facts appear throughout, and the book closes with a full page of kid-friendly tiger facts. A table of contents, a glossary with phonetic spellings, and an index are included. This title will leave readers with a deeper appreciation of the continent of Asia and the incredible tiger!
