

# Toil And Delivery - Bill F. Ndi

[DOWNLOAD HERE](#)

Bill Ndi's Toil and Delivery can be as playful and loaded as the clues in a cryptic crossword puzzle, which is to say that they are marked by a strange, energetic hybridity. They occupy a dynamic space between nursery rhyme and visionary Romantic verse, between the colloquial and the archaic, between postmodernity and anachronism. They are local and global, political and personal, Western and non-Western. With experiences traversing both Africa and the West, Bill F. NDI is one of those poets who gives meaning to the word globalisation. He embraces poetry as a material act in a troubled world, with poetry's power conveyed with typical irony. Author: Ndi, Bill F.
