Here is a book for people at the very end of their tethers and desperate. From positive thinking to positive prayer, they feel they have tried everything yet remain tortured by a situation which has resisted every attempt to get rid of it. Nobody can wave a magic wand but if your own life is in crisis, help at last is in your hands. Whatever the situation you face, illness, addiction, financial ruin, unhappy relationship, Turn-Around will be a close companion, a concerned, worldly-wise uncle and aunt to take you through the practical steps that will lead to your overcoming your trauma and transforming your life. Written from a psychologically sound and spiritually centered perspective, this is not a religious tract but rather a spirited and earnest book written with compassion as well as humour. Succinct and to the point, it delivers the sort of straightforward help for which you have been starved. We guarantee genuine and even dramatic results.
