Barb and Tom come from a folk perspective but, on this recording, are not shy about venturing forth into soft rock, bluegrass, gospel, jazz, old country, or dancing on the fringe of Celtic influences. 13 MP3 Songs FOLK: Folk-Rock, COUNTRY: Americana Details: Veteran singer/songwriters on the Milwaukee music scene for 18 years, Tom Barb Webber were winners of a Wisconsin Area Music Industry (WAMI): Best Folk Artist 2003 and a WAMI CD Roulette contest. The music performed by Barb and Tom Webber as a duo or with their band, Fair Webber, is best described Americana / Roots music. Barb, the consummate storyteller, writes the lyrics and melody while Tom arranges them instrumentally. Toms voice carries the rumble of the Texas Panhandle and Barbs the clarity of pure sunlight. The contrast is stunning and captivating. Their new CD, Only Way Home, represents Barb and Toms quest to stretch and mature musically. They worked with the highly respected Nashville producer, Tim Lorsch of Bull Creek productions. Mr. Lorsch assembled some of Nashvilles finest, including the likes of award winning bluegrass musician, Tim May (Patty Loveless, Charlie Daniels), bassist Ron de la Vega (Nanci Griffith, Eddie Van Halen), percussionist Mickey Grimm (Swan Dive, Ricky Van Shelton, Over the Rhine), keyboardist Dennis Wage (Faith Hill, Delbert McClinton), and guitarist Dave Francis (Maura OConnell, Hal Ketchum, Tom Paxton). The resulting arrangements are instrumentally more complex and sometimes grittier than their previous CDs without falling into the pitfall of overproduction. Previous fans will find this CD full of familiar uplifting and lyrically rich songs, colored vividly with their souring harmonies and a mix of styles, including energetic contemporary folk songs, country ballads, roots rock, jazz and bluegrass. Review: All Music Guide, rated 4 out of 5 stars "There is a kind of warmth in this sound that's immediate and front room more than back porch. There is a deepening and widening embrace of the various strains of American folk, country, and, in a sense, music from a previous century, all while remaining

contemporary. Only Way Home is the true next step for this pair and their band as they stretch out musically and Barb Webber does so lyrically. Only Way Home: Song Descriptions 1.
