Hi and thank you for visiting my CD Babysite. The Kid From Outer Space CD has received a prestigious Parents Choice Award. It is an original collection of catchy songs for K-5th grade that are fun to sing, while at the same time promote friendship 15 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: About Me: I have been an elementary music teacher in the Boston Public Schools for ten years now and my songs are sung in all of my classes. My students initially are the ones that determine which songs merit getting on a CD. Many of them are the background singers you will hear when you give it a spin! Hear what people have to say about Cliff Tette: Cliff writes lyrics that are clever and original. His lyrics communicate positive messages about school and teachers that encourage students to "reach for the stars!" You'll find yourself humming along to the melodies all day! He has a special relationship with the children and it shows in their enthusiasm! -Toni Newsom Principal of the Oliver Wendell Holmes Elementary School Dorchester, MA I enjoyed "The Kid From Outer Space" CD. I've used it in special school plays and graduation programs. The songs reinforce learning concepts and boost children's self esteem. -Mrs Cenat teacher at the Lucy Stone School Dorchester, MA Cliff's CD's are fun and positive for kids! The rhythm and melodies are very catchy. -Ms. Gibson Principal of the Lucy Stone School My class loves singing the songs from all of Cliff's CD's. -Maureen Doyle Boston Public School teacher Cliff's lyrics are easy for the children to understand and repeat. The melodies evoke such enthusiasm with the children. They're all excited all day-singing and humming while working! Cliff has a wonderful rapport with the children.
