One disc is LOVING; the other is LICENTIOUS [It's naughty.], so be warned; performed by long-time Renaissance Faire/Festival minstrel. 20 MP3 Songs FOLK: Celtic Folk, FOLK: Political Folk Show all album songs: Easy Being - LOVING/LICENTIOUS - 2-disc pkg Songs Details: EASY BEING is (as you would expect) Craig of Farrington's GREEN album. A two-disc project, one emphasizes the LOVING aspect of THE MINSTREL LUTENIST while the other steps way over the line, which is precisely IN line with his LICENTIOUS alter ego. Preceded both times by a Minute of Silence (for all those who have died in the past few years in Iraq), a rare political song ends each disc. Pray for Peace.
