Dani Love aka Love Jones is a unique storyteller reminiscent of Nancy Wilson. A classic throwback like Musiq Soulchild and Alicia Keys, her sound is distinctive and soulful, drawing on multiple genres to express Love as she sees it. 7 MP3 Songs URBAN/R&B: Smooth Soul, URBAN/R&B: Motown Show all album songs: Dani Love: The EP Songs Details: This talented jazz-rocker incorporates multiple genres, from country and r&b soul to jazz and hip-hop and anything between. Her intimate knowledge of life, love and dreams conveys the experience of a woman beyond her years. Yet the sweetness and vulnerability of a young lady emanate from her soul. Influences like Billie Holiday, Marvin Gaye, Prince, Jill Scott, Madonna, Smokey Robinson and Teena Marie have converged to create, in Dani Love aka Love Jones, a unique sound, a unique form of storytelling that is candid yet soothing. Infectious melodies detailing reality-based narratives give her songs a quality that is timeless and unforgettable. Neo-Jazz is what she terms her music, as it comes from a jazz perspective, but incorporates, soulful contemporary elements. All you have to do is listen, and you know that whatever this lady sings, you're gonna feel and take it to heart. In live performances, she is arresting, her personality infectious. Laughter accompanies pain, and you leave with a good feeling inside.
