Email us or check out our NEW WEBSITE THANKS CDBABY FOR HELPING US GROW or GLOW. :-) This high-energy release from one of jazz's most well kept underground secrets, will finally display his talents to the world . "FINALLY's" sound expands the boundaries of traditional jazz by blending jazz, funk and fusion that has become known as Dar'rell's trademark sound. In 1999, Dar'rell was the featured saxophonist on the CD titled "THE CLUB'S NOT CLOSED," by the group DOUBLE VISION. This CD also allowed him to further flex his writing, arranging and producing abilities on the song, "Do U Care." 2002 saw Dar'rell featured in several top groups through Indy, who performed as opening act for artists such as Kim Waters, during his Indianapolis concert tour appearance. He also performed at the Michiana Musicfest that featured the smooth sounds of Ramsey Lewis as the headliner. Inspired by the aesthetics and authentic styles of improvisation of such jazz legends such as Miles Davis, David Sanborn, Grover Washington Jr., Wilton Felter, and Larry Graham among others. Dar'rell is a versatile musician, learning the piano at the age of nine; the saxophone at twelve and by seventeen he was the lead saxophonist in his own jazz ensemble. "FINALLY" is a celebration of musical expressions that pays homage to the essence of jazz. "FINALLY" is a 'must have' release of the summer! 2005 and we continue to move in al new directions , for all of you music lovers and musicians. Do not give up hope , Cdbaby and Jazflyte founder Dar'rell Green will continue to bring you good music. Click on the website to see what Dar'rell is doing behind the stage.
