Contemporary Christian Rock/Worship with a wild swing in styles from Retro Rock to R+B to Worship. 9 MP3 Songs ROCK: 60's Rock, GOSPEL: Contemporary Gospel Details: This is the first of three CD's by David Michael Carpenter. Completely original and very different from any other contemporary Christian Rock. 'Holy Fire' is reminiscent of the Who, 'Love You Jesus' is pure R+B, and there is everything in between including some very deep worship songs like 'Luke 4:18'. David's music has crossed over into the secular market and is a new sound for today. Every CD is virtually hand made and copied a 2X for the best possible sound. Every song is written, produced, engineered and recorded by David in his own digital studio in Langley BC, Canada. All the instruments; electric and acoustic guitars, bass, acoustic guitars, keyboards and piano, drums and all vocals are all done by him. All three CD's in this series which also include 'Out of the Storm' and 'Jesus Rules' are painstakingly recorded to give the right feel and texture. I believe that this CD will change the way you think about Christian music. No matter what your beliefs or style of music, there is something for you on Draw Me Closer that is authentic and moving and you will be changed by the experience.
