

Mp3 David Victor - Proof Through The Night

[DOWNLOAD HERE](#)

Very melodic Rick Springfield-esque guitar-driven rock/pop. 10 MP3 Songs POP: 80's Pop, ROCK: 80's Rock Details: David's debut solo album from 1991 "PROOF THROUGH THE NIGHT" was remixed and remastered in 1999, and released in Japan, Europe and in the U.S. to solid reviews. The lead single, "GETAWAY MACHINE", a catchy radio-friendly rocker, gets regular rotation on Japanese radio. The album and style get regular comparisons to Rick Springfield for the melodious, vocal intensive and guitar-driven style. The song "Proof Through The Night" is a bit of a tear-jerker, but the rest of the album is very upbeat and happy-sounding. Just the thing to play in your IPOD as you commute or work!
