She was my brown eyed girl she rocked my world! I love you brown eyed girl! But why did you leave me? I remember the black sunsets, We were running through the coven of waterfalls, You had your fuckin' legs wrapped around my waist! I was part of that that you could taste! She was my brown eyed girl! I remember those days! She was the best one I ever had! But now she's gone! She was my brown eyed girl! She died in 1972 after I rocked her world! She was walking home from school one day, She looked up, and she got hit by a meteor in the face! It was rare, a strange occurrence they say! Ha, but sometimes things just go that way! And I cry everyday for my brown eyed girl! I'm the Retsej! I got feelings! Ha! Inside of her eyes I could see the fuckin' reflection of a million brown deserts!, Ha! I look into the world, tryin' to find her, But she's gone, only the tragedy that she left behind her! Inside of my heart but still it beats on..., She was my brown eyed girl, Brown eyed eyes forever to come! Ha! You walk within the fuckin' shadow alone, I walk within the fuckin' brown eyes of the only one I used to know! And she was always there, She was my brown eyed girl! She was my brown eyed girl... That was my days when I was growing up, I was so in love, Ha! her brown eyes seduced me, entranced me, seduced me, Brought me in closer and then tried to confuse me, I was hypnotized... continued...
