Original and eclectic, a little bit folk, a little bit country, a little bit rock 'n roll, some tongue in cheek, light and dark, they will make you laugh, then make you cry, then laugh again, with haunting words and music suitable for children of all ages 12 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Children's Folk Show all album songs: Fairy Tales Nonsense Songs Details: Once upon a time, three young fellows, wet behind the ears, met at a boarding high school in Sioux City, Iowa. The boy from Kansas City wore brown oxfords; the other two of them sported Iowa clodkickers. Four years later, those same three fellows, not quite so green but not as wise as perhaps they thought, graduated and went their separate ways - each to his separate college, then to work, and to wife and family and better shoes. As certain is certain, the years pass quickly. Forty-two years later, those three classmates, older now and wiser and a little more weary, went to a school re-union and there they played music for their friends all upon a Saturday night. That was tremendous fun, they said to each other at two in the morning, having pancakes afterwards. But that cant be all there is to it. It wasnt, for now it is Happy Ever After, and they are happily old.
