Soulful vocals, rock guitar, and trumpet define the cyberdelic sound of Doc Fields. 10 MP3 Songs ROCK: Classic Rock, ROCK: Progressive Rock Details: Cyberdelic VooDoo is like Jimi Hendrix meets the computer. It's a melding of classic rock influences with a modern flare. Doc's vocals, at times hauntingly reminiscent of Morrison, are supported by rockin' guitars, keyboards, the occasional horn section, and the soulful backing vocals of Terri Weiland. A variety of songs with strong lyrics and memorable hooks will keep you listening to this CD for years to come. A seasoned professional Doc has wowed audiences across the United States, Canada, Mexico, and the Virgin Islands with his versatility and energy on stage. While fronting the band Nemesys, Doc has opened for such illustrious acts as Edgar Winter, Steppenwolf, and Ratt.
