He has brushed shoulders everyone from bums to some of the all time legends of the music, sometimes in the same night. His info can be found at drewreid.com, click "Bio". "Rogues On The Way" is Drew's latest CD, offering some of what he considers the best of his songwriting over the past few years. Many of the songs on "Rogues" are songs he's been pitching in Nashville, as well as playing at recent shows. Drew sez: "While Journey Proud was a fairly quick recording process using top notch Nashville studio guys, and The American War was all one take acoustic old-timey stuff, Rogues is me choosing and producing everything. The tracks on Rogues are the way the songs sounded in my head when I wrote them. This is exactly where my music and writing are at in 2007."
