It was all salsa, merengue, and cumbias until college. There, at The University of the Arts, she majored in musical theater and show tunes took over her life. She had a four year stint in the world of commercials, modeling, and theater (both big and small) before she tired of the call backs/casting directors/lines at the Equity building. She needed a new mission. In comes Community Education, to the rescue! Giving way to another kind of super hero with a song worth hearing.
