Contemporary Gospel, EASY LISTENING: Crooners/Vocals Details: Dwell Ministries: Scott Reed Marc Judd Scott Reed and Marc Judd have been partners in music ministry for over 12 years and are currently worship leaders at their local churches in Southern California. Starting out in Ventura County, they joined together in 1993 to sing in a Contemporary Christian vocal group. Through the years of touring and building relationships around the country, Scott and Marc have developed a strong desire to pour themselves into leaders who have the call of God on their lives to rise up and change their surroundings. Dwell Ministries began as a result of this passion to equip leaders, to build up local church and campus worship teams, to aid in the development of new ministries, and to resource the body of Christ with fresh and passionate sounds of praise. The purpose of "Dwell Ministries" is to not only see people experience the true presence and power of God, but to see them learn to live there... to dwell there. Marc Scott have written songs for artists such as, Phillips Craig Dean, Raylene Scarrott, Maranatha Music Promise Keepers, John Owens, Jarrod Mcnaughton. They truly understand the value of teaching real truth through the songs that they present the desire to impact the church on a much larger scale with every move they make in the future.
