A new 3 member male R&B group with a mature, sexual and soulful sound. The group is comprised of Sleepy Wonder, Lyriq and TD. The three artists met in and around recording studios in Detroit, Michigan. Sleepy noticed that the synergy they shared created a heavy vibe. They wanted to take what they were working on to the studio and lay down some songs. Once in the studio, they met Al Maddin and he added the vision. And now we have Fella Fella. These gentlemen have a style and sound similar to the late 80's early 90's group "GUY". Sleepy Wonder and Michael J. Powell produced their first single entitled "2NITE". The final product is HOT! And Fella Fella is re-introducing real music to the streets.
