Radio friendly Power-Pop with hook laden pop melodies. The crunchy guitars of the Foo Fighters and the melodic harmonies of The Posies meets the intellectual chord progressions of Rush and U2. 8 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Flowerpot is a Houston based power-pop trio whose music is as infectious as they are. Solid grooves, insightful lyrics and catchy pop melodies help provide their signature sound. Combine those with swirling guitars and all of today's modern sounds and Flowerpot's music becomes a good friend you've only just met. All of these sounds can be heard on their latest release 'Better Late Than Never.' This much anticipated release from the band marks their first full length recording, and fulfills the promise of their first EP 'howmuchdoweowe,' which offered a glimpse into the band's unique brand of wit and pop sensibilities. Now, that glimpse has blossomed into the next step for Flowerpot, 'Better Late Than Never.' Eight tasty pop songs that hold your attention and make you beg for more, including the regional radio hit 'I Know.' With the crunchy guitars and lush harmonies in 'Realize,' to the up-tempo fan favorite 'Reality,' Flowerpot's 'Better Late Than Never' will become one of your favorites.
