Power pop/college rock. Crunchy. Weezer with that bald guy from REM on vocals. Whoish moments. 13 MP3 Songs POP: Power Pop, ROCK: College Rock Show all album songs: The Last Umbrella Stand Songs Details: Tired of the grind? Ready for some "Rockin' Out With Me" time? The Fuzz have got your back. Fuzzball hails from sleepy, dank Portland, Oregon, where old alt-rockers come to die. Lifelong friends and survivors of all your favorite 90's bands you never heard of, Fuzzheads Keld Bangsberg, Mark Buchanan, Eric Levine, and Bruce Robertson have been gigging around Portland since 2002, sharing stages with The Hugs, Derby, Get Set Go, Gertie Fox--just to name drop a few. We've been on an unusual range of radio stations including KNRK FM Alternative Rock and KFXX AM Sports Talk; the latter a result of our cover of "Green is the Color", a rally song for the Timbers Army (Portland Timbers soccer fans). Our debut, The Last Umbrella Stand, is a hoot and a holler and well worth your music buying dollar. These lucky 13 songs are sure to leave you humming as they carve heretofore uncharted paths through the jumbled lives of hearts and minds. Don't take our word for it though, check out those sound bites. "Professor" is particularly tasty. "Corner" too. Come to think of it, take a quick lick of "Cold Water" while you're at it. Heck, try 'em all if you like! Of course, the calling card of the Fuzzball Dynasty is our live shows. If you don't get worked up at one of our parties, you're probably dead. There was this dead guy at one of our shows as a matter of fact, and even he partied like a madman. We kid you not. Join the mailing list, come to a show, see what we mean. So kick back and crank up the Fuzz! You've earned it. We're glad to be there for you. Love, Fuzzball
