A music ministry that glorifies Jesus Christ while singing God's word with a country pop flare. 10 MP3 Songs COUNTRY: Country Pop, COUNTRY: Traditional Country Details: In 1998 God revealed His promise of the group "Gospel R.A.G.S." to proclaim the good news of Christ Jesus ! He showed at that time, the R.A.G.S. is to stand for "Righteousness After Gods' Sanctification" not seeking after but after He has covered us upon the gift of receiving our Savior. He also place in my heart at that time to never forget, "We are nothing but as filthy rags in our own righteousness apart from Him" Now I have the awesome position of seeing God fulfill this promise as He has been leading Ken, Amelia I to Isaiah 64:6--Zechariah 3:1-5 and Psalm 40:1-3 as our Word of Hope in this endeavor. We step out in faith and praise for all He will accomplish through this music ministry and our lives. God put Ken and I together one year ago to breathe life into this album project. We have quite a testimony of how He did this. Our prayer is that all that hear His words will receive all He has for them. God is working through our daughter, Amelia, who is legally blind with cerebral palsy, she is featured in 3 songs on this album, the Great I Am our Lord had her co-write with me. We give honor to God for opportunities for the furthering of His Kingdom through the use of His gift of "Gospel R.A.G.S. MUSIC THAT WILL MINISTER TO YOUR HEART
