MTV, VH1, Tyra, Ellen, Extra and more; these are the songs that play behind the action. 19 MP3 Songs  
POP: with Electronic Production, POP: Quirky Show all album songs: Songs on TV; Slinky and Limber  
Songs Details: Jane Fontana writes a lot of music. Its vibey and visual, and it translates well to screen.  
Theres some of it in films, in computer games, on web sites, and quite a bit of it on TV. From Punkd to  
Date my Mom, from Oprah to Tyra, Janes songs can be heard backing up all the drama. Now Janes  
music is available without cutting to commercials. Here are nineteen tracks of the slinky and limber kind,  
music that sets up sexy or quirky scenes. This CD also includes 'What You Want' from the Forza 2 game  
on XBOX. Be sure to check out Janes other CDs, including the companion to this one, Songs on TV;
