

# Mp3 Jerry Caringi - Changes

[DOWNLOAD HERE](#)

As one review says "An Absolute stunner that has so much to offer." A unique mix of Tunes. The style of Pop, Jazz, R&B, Funk and Latin with some vocals Kool instrumentals. A strong Lead vocal performance. Great tracks performed by solid musicians. 17 MP3 Songs EASY LISTENING: Crooners/Vocals, JAZZ: Smooth Jazz Show all album songs: Changes Songs Details: Jerry Caringi Musician/Composer/Producer. Delivers his new released CD entitled "Changes". A unique selection of tunes. The performance of his strong vocals and his strength on Piano, Organ and Accordion makes this CD musically interesting. A terrific sounding CD. An all star world class cast of outstanding canadian icon studio musicians and vocalists. It's like "Yellow Jackets" meets "Billy Joel" with "Elton John" meeting up with "Poncho Sanchez" and "Jimmy Smith" all hanging out with "Wheather Report". A musical collage of Jerry's paramount abilities as a Musician/Vocalist/Composer and Producer. A quality audio fidelity product. Scroll down below and read the reviews....
