Here is a review of the cd FREE SPIRIT: "Spirits longing to break free will embrace this baker's dozen of positively pleasant pieces composed for grand piano. Pinkus evidences a very delicate touch, especially on "Journey to Trust" and "Un papillon sur ton Epaule" where his fast fingers flit like enchanted moths over the ivories. On "Overture to Peace" and "Nocturne 2," there is a more suitably sonorous, contemplative mood established by his use of space and dynamic tension. Throughout each of these instrumentals, he uses rising pgrasing and the occasional arabesque to accent otherwise tranquil tonees, thus giving rise to colorful imagery and deeper emotional shading. Reaching a pinnacle on "The Horse," Pinkus' craftsmanship is simply superb, succinctly capturing the true equine essence of the subject. Highly melodic and deeply thought-provoking, this music is for those who dare to dream." written by PJ Birosik of Newageretailer THIS SOLO PIANO CD HIT #30 ON THE NEW AGE RADIO AIRWAVES TOP 50 CHART IN THE UNITED STATES. "ENJOY THE RIDE!" Mark Pinkus
