ELECTRONIC: Drum 'n Bass/Jungle, ELECTRONIC: Industrial Show all album songs: New Urban Nightmares Songs Details: Mindscape Music makes intense, evocative soundtracks in search of a movie. Think along the lines of Blade meets Buffy and you've got the right idea: evocative, intense tracks to accompany you during a night of hunting through urban decay. Wearing our geek badge with pride, this album is a perfect backdrop for any role-playing game set in the modern day: Vampire, Unknown Armies, Delta Green. The music combines elements of trip-hop, industrial rock and drum and bass to inhabit the bleeding-edge that slices across genres. Let Mindscape Music be the inspiration for your most awesome daydreams...or nightmares...
