Show all album songs: Beggar's Dance Songs Details: My name is Nelson Trout and I am very proud to present to you this CD titled: "Beggar's Dance". The collection of songs included on this album are very important to me, as I believe these are among my very best. Each and every song is based either on a real person or experience I have had in my life. It is all but impossible to categorize this CD under one genre of music, so I will not. I can only say that my songs are a reflection of my many musical tastes and influences, such as Rock, Pop, Country and Americana. A combination of up-tempo dance songs and power ballads round out this very special album of songs. I would like to dedicate "Beggar's Dance" to Gene Turner and "Big" George Ney. These two dear friends and great musicians have passed away since the recording of this CD of which they were and always will be a huge part. With Warm Regards, Nelson Trout. PS. " ALL MY DREAMS ARE COMING BLUE " THE 3RD SONG ON THIS CD WAS THE ONLY SONG TO BE INCLUDED ON SIMON LEE'S ALBUM ' FREETHINKA " WHICH WAS NOT WRITTEN BY SIMON HIMSELF. SIMON WAS CHOSEN AS THE GUITAR PLAYER OF THE YEAR IN 1998 BY GUITAR MAGAZINE.SIMON LIVES IN ENGLAND TOURING MOSTLY IN EUROPE.. Good job mate! Nelson.
